Answer

MINISTER OF STATE (INDEPENDENT CHARGE) FOR ENVIRONMENT, FOREST AND CLIMATE CHANGE (SHRI PRAKASH JAVADEKAR)

(a) to (c) Project proposals for conservation and management of 10 lakes in Rajasthan namely, Daylab Talab (Banswara), Gapsagar (Dungarpur), Rajasmand (Rajasmand), Kayalana Lake (Jodhpur), Gadisar (Jaisalmer), Jaitsagar (Bundi), Gondolav (Kishangarh), Sambhar Lake (Sambhar), Udaisagar (Udaipur) and Goverdhan Sagar (Udaipur) totalling to Rs. 423.23 crore were received from the State Government for financial assistance under the scheme of National Lake Conservation Plan (NLCP) / National Plan for Conservation of Aquatic Eco-systems (NPCA).

Proposals under NLCP/ NPCA are considered for financial assistance subject to their conformity with the scheme guidelines, pollution status, prioritization, appraisal by independent institutions and availability of Plan funds. As the project proposals for 10 lakes in Rajasthan were not found in conformity with the scheme guidelines of NLCP/NPCA, they have been returned to the State Government for prioritisation and revisit in the light of admissibility criteria contained in the scheme guidelines.
